The Miami Lakes Moovers circulate on one route throughout the Town. This route connects every major area and attraction in the Town like Main Street, all public schools, two community centers, major parks, 60th Avenue and major shopping centers. The Moover buses arrive approximately every 25 minutes. To save time, riders can track the buses in real-time from their computer or smartphone. Go to www.mlmoover.com to access the online tracking portal or get the app for iPhone and Android smartphone users. The Moover tracking app features a real-time map, a list of stop locations, and service updates.

For more information on the Miami Lakes Moover, go to www.mlmoover.com or call 305-364-6100 ext. 1145.
